- Wyoming (1)

Evolution of the Bandidos Outlaw Motorcycle Gang (OMG)

The Bandidos OMG was founded in 1966 in San Leon, Galveston County, Texas by Donald "Mother" Chambers. He served as the first Bandidos president until 1973 when he was convicted of murder in El Paso, Texas and sentenced to life in prison.

Under the second President, Ronnie Hodge expanded the Bandidos internationally with the first chapter established in Australia in 1983.
