posting an online photograph of a man opening fire into a marked police cruiser just hours after the murder of Officers Liu and Ramos. It appeared that the posted photograph was taken from a movie.

- (U//LES) As of December 2014, FBI Baltimore received uncorroborated information regarding a threat against "white cops" by members of the Black Guerilla Family (BGF). BGF members were planning to target these law enforcement officers to "send a message" (NFI).
- (U//LES) As of December 2014, in Memphis, Tennessee, the Department of Homeland Security and local law enforcement interviewed a young man who wrote online that he was heading to New York City to kill two more police officers. The identified subject allegedly wrote "Good Job #F-K12 Kill em all i'm on my way to NY now #shootthepolice 2 more going down tomorrow." No charges were filed against the subject as he stated he was intoxicated when he wrote the post.
- (U//LES) As of December 2014, open source reporting indicated The Heartless Felons Gang, an Ohio street gang, gave its members orders to kill white police officers in the Cleveland area to avenge black lives taken by white police officers.
- (U//LES) As of December 2014, according to the Colorado Information Analysis Center, the following threat was made targeting Colorado law enforcement officers. The individual also commented that he is from Rialto.
- (U//LES) As of December 2014, the Washington DC, Metro Police issued an officer safety alert in response to the shooting of two civilian vehicles. A white Ford Fusion and a grey Camero displaying a Maryland Fraternal Order of Police license plate were both shot at while driving in Northwest DC. Although there is no current intelligence to indicate the subjects believed the drivers to be law enforcement officers, this alert was disseminated out of an abundance of caution for officer safety and a reminder that any law enforcement identifiers could increase target potential.

(U//LES) The above information is provided as a reminder to law enforcement partners to remain vigilant both on and off duty. Be mindful if displaying any type of identifiers related to law enforcement such as bumper or window stickers.
