Narrative	

On June 12, 2016, at approximately 02:02 hours, multiple Orange County Sheriff Office (OCSO) deputies responded to 1912 S. Orange Avenue (Pulse Nigh Club) in reference to the Orlando Police Department (OPD) requesting an emergency backup response. At the time of this incident I was working as a Deputy Sheriff, Squad X, Sector IV, Uniform Patrol Division.

Prior to the arrival of OCSO deputies, the information being provided was extremely limited, but we were informed through dispatch an OPD Officer was not responding to their radio after calling, "Shots fired!"

Several OCSO units arrived on scene and they advised over the radio gunfire was still being heard inside the venue. While the deputies were on scene they informed dispatch there were multiple victims in the immediate area who were seriously injured with gunshot wounds. More OCSO and OPD units responded to the area and subsequently advised the incident was an 'active shooter.'

I began establishing a perimeter approximately a half-mile away from the scene on channel 'TAC4' for other responding deputies and officers. The perimeter was established and I was asked a short time later to respond to the Command Post and Staging Area to assist OPD Lieutenant D. Brady (PA35).

While on scene at the Staging Area, I continued to monitor the perimeter and make adjustments as necessary and appropriate. I maintained a list of all units on the perimeter and I used Mobile Mapper to provide as a visual for where all units were located. I continued to assist at the Staging Area as a temporary scribe and to maintain a log of all deputies assisting during this incident.

Please reference the multiple supplemental reports for the involvement and aid of other responding deputies and officers during this incident.

On June 12, 2016 at 0205 hours I responded to Pulse night club located at 1912 South Orange Avenue in reference to an emergency backup for the Orlando Police Department.

I arrived and took a cover position on the east side of the building just outside of the patio. I covered the other Deputies as they extracted the injured and watched over their long guns. Next I assisted in looking for secondary explosive devices in the club parking lot and surrounding parking lots to the south and west before the EOD K-9's arrived. Once the staging point was established at the Ragin Cajun I checked in. Next I responded to ORMC when the shots fired call went out. I assisted in clearing the ambulance entrance, loading docks and surrounding buildings to the south and west of the ER. After that I returned to staging and assisted with staging security. I did not see the SWAT entry, assist with evacuation, or post at triage. After the suspect was downed I assisted in corralling the witnesses near the command post to be debriefed by FBI agents.

On June, 12 2016 at approximately 0204 hours I responded to Pulse Night Club located at 1912 South Orange Avenue, in reference to an emergency backup call from Orlando Police Department reference shots fired at the club.

Upon arrival I parked my vehicle just south of the night club next to the Dunkin Donuts and approached the night club on foot through the Dunkin Donuts parking lot. Upon approaching the club I heard multiple gunshots coming from inside the club. I observed individuals running out of the club covered in blood with gunshot wounds and many more in the parking lot also with gunshot wounds. I assisted in carrying these individuals to Orange Avenue and Harding Street where they were loaded into vehicles and taken to Orlando Regional Medical Center.

After the initial victims were moved from the parking lots I proceeded to hold the inner perimeter until I was relieved by Orlando Police Department's SWAT team.

During the rest of the incident I was positioned just south of the SWAT team in the Dunkin Donuts parking lot and assisted with moving and searching any other victims coming out of the night club to the staging area.

On 06/12/2016 at 0211 hours, I responded to the area of Kaley Avenue and Orange Avenue in reference to an active shooter at "Pulse" nightclub. Upon arrival, I observed numerous subjects running from the club in a panic. I observed several subjects lying on the ground near the club that appeared to have been injured by gunfire.

Fearing the shooter to still be inside, I made contact with several Orlando Police Department officers and walked toward the northwest corner of the club. I then took a defensive position with these officers and maintained visual contact with an open doorway on the west side of the club. I maintained this position until I was relieved by SWAT personnel. I then assisted with traffic control at the intersection of Orange Avenue and Grant Street.

On June 12, 2016 at 0500 hours, the Orange County Sheriff's Office Critical Incident Management Team (CIMT) responded to assist the Orlando Police Department with a shooting incident which occurred at the Pulse Nightclub, located at 1912 S. Orange Ave.

The following CIMT members responded and performed the respective role(s).

1. Lieutenant Mitch Shaban - CIMT Team Commander
2. Sergeant David Legvold - CIMT Assistant Team Commander
3. Sergeant Robert "John" MacDonald - Team 2 Leader
4. Deputy First Class Tim Nelson - Resource Unit

The CIMT mobilized the Mobile Command Post (MCP), 50 KW generator, Zumro tent trailer, and brought coolers with ice and water. Corporal Benjamin Thorpe and Master Deputy Mary Norwood maintained resource tracking information on an ICS 214 Unit Log Excel spreadsheet.

The CIMT's objectives included the following.

1. Determine how many Orange County Sheriff's Office personnel were on scene.
2. Determine how many Orange County Sheriff's Office personnel were in staging.

On June 12, 2016, at approximately 0209 hours, I arrived at Pulse night club located at 1912 S. Orange Avenue, Orlando, FL in reference to a shooting.

Upon my arrival, I took position to the south east of Pulse and waited for commands. While waiting, deputies were requested to the east of the club to assist with victims, so I advanced to that position. When I arrived, I assisted an Orlando Police Department officer with carrying a light skin Hispanic male wearing a black t-shirt and blue jeans with what appeared to be a gunshot wound to his right forearm and left shin. The Orlando Police Department officer and I carried the victim to the triage location behind the Einstein bagel located at the south east corner of Kaley Street and Orange Avenue.

After assisting this victim, I responded to the original Command Post located at the north east corner of Kaley Street and Orange Avenue. While at the Command Post, dispatch relayed reports of shots beginning fired at the Orlando Regional Medical Center (ORMC) located at 1414 Kuhl Avenue, Orlando, FL, so I responded.

When I arrived at ORMC, security advised they have not heard any shots being fired or seen any suspicious activity. However, due to the events which had just taken place, I positioned myself at the south east corner of the emergency room to assist with ORMC's lock down protocol.

I had no further involvement with this incident.

On 06/12/16, at approximately 0238 hours, I responded to the area of South Orange Avenue and East Kaley St in reference to an Emergency Backup request from the Orlando Police Department for an active shooter at Pulse Nightclub.

Upon my arrival to the area, I parked my patrol vehicle on East Kaley Street near Hollenbeck Drive. I walked to the triage area located behind the Einstein Bagels and observed Deputies and Officers together with Emergency Medical Services personal working with victims who were arriving at the location with injuries. The scene was chaotic as many of the victims had gunshot wounds and some who had been carried over appeared to be dead. I was tasked by an unknown Orlando Police Corporal with scene security at the triage area and crowd control as lots of the victims and witnesses were hysterical. I along with other Officers and Deputies with the same task began separating the wounded by categories of levels of injuries to gain control of the scene. Fatally wounded and critical were being placed directly behind the Einstein Bagels and walking wounded were being placed in the following parking lot to the east of the Einstein Bagels. Many victims were loaded in ambulances and vehicles and were transported to the Hospital.

As the numbers of victims kept growing Unknown OPD Corporal told me and other Officers to clear the parking lot of the 711 gas station located at the corner of South Orange Avenue and East Kaley St across the street the triage area to relocate friends of victims who were not injured. We cleared the 711 parking lot and I placed evidence tape around the perimeter to keep unauthorized people from re-entering. DFC Lewis who was working the ICS, told me and an Ocoee Officer to go down Orange Avenue and verify all streets from Kaley Street to Grant Street had an inner and outer perimeter. We walked southbound on Orange Avenue passed Pulse Nightclub, which had a heavy law enforcement presence and made our way almost to Grant Street. We were able to confirm all streets were covered with inner and outer perimeter and relayed the information back DFC Lewis at ICS. DFC Lewis told us to take a position wherever needed.

OPD Lieutenant at the OPD Mobile Command asked us to stay with them to provide security and crowd control at their location. While there we assisted by helping with searching victims who were being extracted out of the club, separating wounded victims by categories of levels of injuries, finding transports for the more critically injured and placing witnesses in safe areas. I stayed at my position until we were relieved and aloud to leave.

This concludes my involvement in this case.

On 06/12/2016 at approximately 0208 hours I, Deputy Frist Class Kevin O'Malley (EID 6913) responded to an active shooter incident at 1912 South Orange Avenue (Pulse Nightclub). As we approached, my marked SUV was parked on South Orange Avenue, approximately 200 - 300 feet south of Pulse Nightclub.

I responded to the south entrance of Pulse Nightclub and took a position approximately 15 - 25 feet from the south entrance door, utilizing an unknown vehicle as cover. From this position I observed multiple victims exit the nightclub and further observed approximately 3 - 4 deceased individuals on the northwest corner of the south parking lot. I continued holding the building and any identified "hot" areas until I made contact with a female gunshot victim. I assisted an unknown Orlando Police Officer in moving this victim away from the building.

I attempted to debrief the female victim in regards to the active shooter incident at the nightclub but she was unable to provide any information. As I responded back to the vehicle I was utilizing as cover, I made contact with a second female shooting victim who I also attempted to debrief. The female did not have any information to provide. During this time I heard numerous sounds of gunfire. The sounds of gunfire sounded as if they came from within the nightclub. I maintained this position until relieved by members of the Orlando Police Department SWAT team.

I then responded to a pre-determined staging location at which time I was assigned a position at 601 East Rollins (Florida Hospital South). I maintained an exterior security position at Florida Hospital South until relieved by the on scene Orlando Police Department Sergeant (No Other Information).

I was then assigned a position near South Orange Avenue and Lake Beauty Drive deterring pedestrians from entering into our crime scene. I maintained this position until relieved by an unknown Orlando Police Department Motors Lieutenant.

I was debriefed by Orange County Sheriff's Office Night Investigations Detective Robert Bell who instructed me to complete this supplemental report.

I had no further involvement in this incident.
