

DATA RETENTION SPECIFICATION

1. Except to the extent prohibited by applicable law, during the Term of this Agreement, for each Registered Name sponsored by Registrar within a gTLD, Registrar shall collect and securely maintain in its own electronic database (as updated from time to time) the data specified below:
 - 1.1. Registrar shall collect the following information from registrants at the time of registration of a domain name (a “Registration”) and shall maintain that information for the life of the Registration plus two years:
 - First and last name or full legal name of registrant;
 - First and last name or, in the event registrant is a legal person, the title of the registrant’s administrative contact, technical contact, and billing contact;
 - Postal address of registrant, administrative contact, technical contact, and billing contact;
 - Email address of registrant, administrative contact, technical contact, and billing contact;
 - Telephone contact for registrant, administrative contact, technical contact, and billing contact;
 - WHOIS information, as set forth in the WHOIS Specification;
 - Types of services purchased for use in connection with the Registration.
 - Information regarding the means and source of payment reasonably necessary for the Registrar to process the Registration transaction, or a transaction number provided by a third party payment processor;
 - Log files, billing records, or other records containing communications source and destination information, including, depending on the method of transmission: (1) Source IP address, HTTP headers, (2) the telephone, text, or fax number; (3) email address, Skype handle, or instant messaging identifier, associated with communications between Registrar and the registrant about the Registration;
 - Log files or other records associated with the Registration containing dates, times, and time zones of communications and sessions, including initial registration.
2. Registrar shall maintain WHOIS data in accordance with the requirements of the WHOIS Accuracy Program, as set forth in the WHOIS Accuracy Program Specification.
3. This Specification may be modified by ICANN from time to time after consultation with the Registrar Stakeholder Group (or its successor), provided that such updates are commercially practical with respect to the registrar industry, taken as a whole.
