Subject: request to take down the magazine “Inspire”

---

Driebergen, February the 25th, 2011

To whom it may concern.

Dear Madam, Sir.

Herewith we would like to notify you about a magazine named “**Inspire**” offered on your website:  
<http://www.publicintelligence.net>.

Due to the content of this magazine which is considered illegal according to the Dutch law due to the inciting content related to Al-Qa’ida in the Arabian Peninsula, we would like you to remove this magazine from your website.

We kindly request you not to publish and spread any other issue of this magazine “**Inspire**” or similar magazines.

In case you might not respond positively to this request, we will under the force of circumstances take down your website on the dedicated server in the Netherlands according to Dutch Law.

We thank you in advance for your kind cooperation.
