LA-SAFE SITUATIONAL REPORT

August 29, 2012 1600 Hrs. CDT

Additions from last LA-SAFE situational report are in red.

LA-SAFE REPORTS:

The following request was sent out by LA-SAFE on August 28, 2012. Responses will be posted below each corresponding PIR.

Please see the following PIRs for Hurricane Isaac. These are questions that we need information on immediately.

PIR 2: (IR – PS 2) What are the circumstances and status of local criminal activity involving looting, price gauging, or shootings?

St. Bernard S.O. - One burglary/looting arrest involving the home of a resident who evacuated.

PIR 3: (IR – PS 3) What is the number and status of serious physical injury or fatalities as a result of the storm?

PIR 5: (IR – PS 5) What are the other significant issues that affecting public safety as a result of the storm?

PIR 6: (IR – PS 6) What is the status of curfews in effect?

Responses to these questions should be sent via email to lafusion.center@dps.la.gov or phoned to LA-SAFE at 225-925-4192. Reference LA-SAFE PIRs.

Responses can be viewed on HSIN - Louisiana under Hurricane Isaac RFI.

MS	1718
TX	No data

Credentialing/Re-Entry Procedures for Louisiana

Louisiana's credentialing/re-entry policy is managed at the Parish level. Individuals requesting access post landfall need to have a state and/or company identification card. Additionally, they need to have the name of the employing company, a POC for verification and a letter on company letterhead describing which facility is being supported. Individuals possessing these items will be granted access through control points.
