FOIA Case: 64820A 27 June 2016

## MICHAEL HAYNES

Dear Mr. Haynes:

This responds to your Freedom of Information Act (FOIA) request of 14 June 2011 for "Any records relating to NSA Director Gen. Keith B. Alexander's attendance of the Bilderberg Meetings held in 2008 in Chantilly Virginia; in 2009 in Vouliagmeni, Greece; and in 2011 in St. Moritz, Switzerland." A copy of your request is enclosed. Your request has been processed under the FOIA and the documents you requested are enclosed. Certain information, however, has been deleted from the enclosures.

Some of the withheld information has been found to be currently and properly classified in accordance with Executive Order 13526. The information meets the criteria for classification as set forth in Subparagraphs (c) and (d) Section 1.4 and remains classified SECRET as provided in Section 1.2 of Executive Order 13526. The information is classified because its disclosure could reasonably be expected to cause serious damage to the national security. Because the information is currently and properly classified, it is exempt from disclosure pursuant to the first exemption of the FOIA (5 U.S.C. Section 552(b)(1)).

In addition, this Agency is authorized by various statutes to protect certain information concerning its activities. We have determined that such information exists in these documents. Accordingly, those portions are exempt from disclosure pursuant to the third exemption of the FOIA, which provides for the withholding of information specifically protected from disclosure by statute. The specific statutes applicable in this case are Title 18 U.S. Code 798 and Section 6, Public Law 86-36 (50 U.S. Code 3605).

Finally, personal information regarding an individual has been deleted from the enclosures in accordance with 5 U.S.C. 552 (b)(6). This exemption protects from disclosure information that would constitute a clearly unwarranted invasion of personal privacy. In balancing the public interest for

FOIA Case: 64820A

the information you request against the privacy interests involved, we have determined that the privacy interests sufficiently satisfy the requirements for the application of the (b)(6) exemption.

Information which is not responsive to the subject of your request has been redacted from the enclosures and marked "Non-Responsive."

You may appeal this decision. If you decide to appeal, you should do so in the manner outlined below.

• The appeal must be in writing and addressed to the:

NSA/CSS FOIA/PA Appeal Authority (DJ4), National Security Agency 9800 Savage Road STE 6248 Fort George G. Meade, MD 20755-6248

- It must be postmarked no later than 60 calendar days of the date of this letter.
- Please include the case number provided above.
- Please describe with sufficient detail why you believe the denial of requested information was unwarranted.
- NSA will endeavor to respond within 20 working days of receiving your appeal, absent any unusual circumstances.

Please be advised that records responsive to your request include a document originating with another government agency. Because we are unable to make determinations as to the releasability of the other agency's information, the subject document has been referred to the appropriate agency for review and direct response to you.

Sincerely,

JOHN R. CHAPMAN Chief, FOIA/PA Office NSA Initial Denial Authority
