

Analysis

North Korea -- Propaganda Coverage of Party Representatives Conferences

Pyongyang quickly has set the stage for the fourth Party Representatives Conference slated for 11 April. Though state media have not yet announced an agenda for the conference, it is likely that the regime will use the event to memorialize formally Kim Jong Il and appoint Kim Jong Un to a top party post.^a The tables below provide a baseline of state media coverage of the impending conference and its antecedents.^b

	4th Meeting (2012)	3rd Meeting (2010)	2nd Meeting (1966)	1st Meeting (1958)

Scope Note: This analysis is based on a review of DPRK media sources covered by OSC. It relies on available data from the North Korean party daily for events that occurred in years preceding 1995. The dates for representatives elections and pre- and post-conference events refer to the first time the events were reported in central media.

^a Kim Jong Il waited three years after Kim Il Sung's death before taking on the position of party general secretary in October 1997 (FTS19971008000397).

^b See the 1 September 2010 OSC Analysis, **North Korea Employs Robust Propaganda Campaign for Upcoming Party Conference** (KPF20100901435001).
