OFFICE OF THE PRESIDENT

25 February 1957

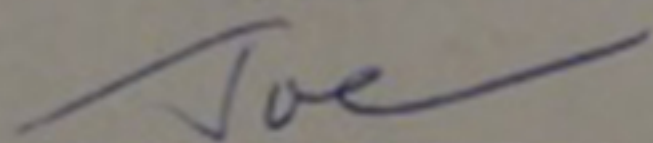

Dear Bob:

Thank you for your nice note. I take no credit for the smooth functioning of the meeting except insofar as I had the good sense to get Messrs. Nelson and Malfetti to run it.

May I say that, while I am quite willing to stand on my own opinion that these meetings are worth while, it is a real satisfaction to me to realize that you, with your knowledge and experience and your present responsibilities, consider them so valuable as to have become one of our "regulars." May you remain so.

With very best regards,

Cordially yours,

Joseph E. Johnson

Dear Bob:

If the St. Simons meeting was a good one, as I think it was, you were one of the key people who made it so. I was particularly pleased with the useful talks which occurred outside the main meeting room.

I wish that I could say that the King and Prince is typical of Georgia, but just wait a few years!

Cordially,

Dean

Dear Dean:

I do want you to know how much I appreciate your many courtesies at St. Simon's Island. It seems to me that this meeting was conducted in an admirable fashion. I found it not only enjoyable but useful and instructive.

It grieves me to know that you are giving up your director's job with the American group. There is only the consolation that it is passing to capable hands.

Georgia seems to be quite a civilized area!

All the best.

Yours ever,

Robert Murphy

Dear Dean:

I certainly will hope to attend the next meeting of the Bilderberg Group, to be held February 15-17, 1957, at St. Simons Island, Georgia. You, of course, will be the first to recognize the thing called "exigencies". Subject to that, I am looking forward to seeing you there.

With warmest regards, believe me.
